Good afternoon Loretta:

Patent 5977789-6 issue 0712 was originally on IDC Query List 9/14/2004 as of date it has been removed from Query List.

We have reshipped this patent today, Monday Sept. 20, 2004 Shipment No 165 also we are faxing D5 through D11 amendments to help the process.

If you have any further questions please do not hesitate to call or you may put the question on the Query List -- .

Thank you for your cooperation in expediting this matter.

> We are requesting clarification on Patent # 59777896, Issue 0712, that

> was queried on the IDC merge dated 080604MER (08-06-04) regarding the

> claims section. On 09-13-04 we received an email with instructions to

> complete the question within this patent. However these instructions do

> not change the question. The query on the merge stated, "On pages

> 25-26: after we place inserts D6, D7, D8, D9, D10 and D11 where the

> amendments instruct the reference claims are higher than the claims

> itself. What should we change the reference claims to?"

> The information provided from RTIS state:

> change the reference claim within insert D6 to claim 10 (which is claim

> 3)

Clm 1 - Clm 10 - NO PROBLEM

OLD NOW
Clm 34 - Clm 11 - (D6 - REF. CLAIM - 10)
37 - " 12 - (D7 - " " - 10)
38 - " 13 - (D8 - " " - 12)
39 - " 14 - (D9 - " " - 13)
40 - " 15 - (D10 - " " - 10)
41 - " 16 - (D11 - " " - 15)

See pg 21

> change the reference claim within insert D7 to claim 10 (which is claim
> 9)
> change the reference claim within insert D8 to claim 12 (which is claim
> 6)
> change the reference claim within insert D9 to claim 13 (which is claim
> 8)
> change the reference claim within insert D10 to claim 10 (which is
> claim 13)
> change the reference claim within insert D11 to claim 15 (which is
> claim 12)
>
> The reference claims are still higher than the actual claims.
